

The Criminology Graduate Student Association presents

Elder Tony Bomberry: One Haudenosaunee Man's Healing Journey from PTSD

You are invited to attend a guest lecture by Elder Tony Bomberry, Indigenous Law Worker at the Six Nations Justice Department. During the talk, Elder Bomberry will reflect on his journey through residential school, foster care and his experience providing justice programs to Indigenous men, women and youth. The talk will highlight his journey of trauma, healing, and courage, and how we can all continue to work toward understanding and healing.
